

Construction Notice: Valley Line West LRT

Overnight Construction Work - 87 Avenue between 163 Street and 182 Street Borehole Testing

- On or around March 22, 2021, crews will be verifying local ground conditions in the area of 87 Avenue between 163 Street and 182 Street. This work will occur during overnight hours (9 p.m. – 6 a.m.) and is expected to last approximately one month.
- Marigold Infrastructure Partners will be taking underground samples that will provide important data to guide the design and construction of the LRT infrastructure.

87 Avenue between 163 Street and 182 Street

- This work will occur during overnight hours (9 p.m. to 6 a.m.) and is expected to last approximately one month.
- In the area of 87 Avenue between 163 Street and 172 Street, crews will be working in the centre of the road.
- To accommodate this work, there will be periodic closures to the inside westbound and eastbound lanes. Turns will be permitted at all intersections. Please follow the direction of construction personnel.
- In the area of 87 Avenue between 175 Street and 176 Street, crews will be working in the westbound curb lane. This lane will be closed while work occurs.
- In the area of 87 Avenue between 176 Street and 182 Street, crews will be working in the eastbound median lane. This lane will be closed while work occurs.
- At the intersection of 170 Street at 87 Avenue, crews will be working within the northbound to westbound turning lane at the south side of 87 Avenue and within

the northbound turning lane on the north side of 87 Avenue. Left turns will still be permitted.

- During boring there will be some limited engine noise.
- Every effort will be made to reduce the impact to the public.
- Pedestrian traffic will be maintained.

The information in this bulletin is current to March 26, 2021. Please note that all dates are approximate and weather-dependent. We thank you for your patience during construction of the Valley Line West LRT project.
